FYI

Armourguard have made contact as per below email:

"

Our Te Puke patrols are currently completing checks on the above Kainga Ora property. He just arrived on site to find a reporter from Sunlive who was awaiting the arrival of the president of the residence association. Apparently they are going to be running story as the residence association members are unhappy as they understand that the property is going to be housing prisoners / ex-prisoners ."

Cheers

Hi Teresa,

Please see the below notification from our account manager at Armourguard. Looks like the patrols turned up and there was press located on site.

Unsure if you are aware of this situation in Te Puke but let us know if we can assist with any additional asset protection.

Regards,

Jason

Hi Jase,

Here is the info about what we spoke on the phone.

Apparently they are going to be running story as the residence association members are unhappy as they understand that the property is going to be housing prisoners / ex-prisoners ."

Also, looking good for 3PM either Tues/Weds next week - anywhere easy is good for me.

Cheers,
