Hi guys – see the email conversation below. Do you want us to also invite Andrew Wharton to this meeting on 21st December?

Kim

Thanks for this and I will attend.

Separately, Tash in my team has asked that I talk to Andrew Wharton from WCC about definition of MRT etc in the light of Daran's comments. Andrew is well connected with the spatial planning in WCC and the NPS Urban Development.

Should we invite him to the meeting on 21 December?

Thanks

Grant

Hi as part of the next piece of work from the WRGF we have started meetings on all the work required for the NPSUD and the Freshwater package – including the NPSFM. At a recent meeting we had we agree that one key piece of early work is to get regionally agreed definitions on things eg rapid transit, walkable neighbourhoods so that we can have some regional consistency.

Amy suggested that I invite you to the meeting on 21st where we are discussing (and hopefully agreeing) these things. If you cannot attend then let me know and perhaps I can get your input on this work beforehand
