Dear Andrew

Request for information under the Official Information Act

Thank you for your follow-up email dated 12 January 2021 to the New Zealand Customs Service (Customs) via the FYI website, in which you request the following under the Official Information Act 1982 (the Act):

"Thank you for that information. I note that while this information contains statistics of passenger arrivals by New Zealand port, it does not include statistics by origin airport. Are you able to please provide this?"

On 12 January 2021, we advised you that Customs does not hold statistics for the origin airport, only for the last port of arrival, which you advised was sufficient information.

In response, please find attached a spreadsheet titled 'Arriving air passengers by overseas port' which contains arriving passengers to New Zealand by last port from 1 January 2020 to 31 December 2020.

Please note that Customs proactively releases responses to Official Information Act requests on our website. As such, we may publish this response on our website after we have sent it to you. Your name and contact details will be removed.

If you have any queries about this response, please contact the Correspondence, Reviews and Ministerial Servicing team at OIA@customs.govt.nz .

Yours sincerely

Debbie Kay
