Hi Graeme,

Hope you're well. Wondering whether we could briefly catch up over the telephone in the next week or so. I'm keen to ensure that my speaking slot hits the mark in February, and am also hoping for some ideas and contacts to arrange meetings. I've reached out via LinkedIn to the Department of Maori Development, but any introductions would be gratefully received!

I also noticed that we've both worked in s9(2)(a) ! I returned from a posting in London last year to join BAE.

Hi [redacted]

Happy New Year! I Hope you had a fantastic break. Amanda is on annual leave in January so I'll be holding the fort in her absence.

Yes, the invitation did go out before Christmas – attached is a copy for yourself and [redacted]

So far we have 22 registrations for Auckland and 9 registrations for Christchurch. We're still confirming venues but see this as a good opportunity to send an updated invitation for those that missed the invitation in the pre-Christmas rush.

Let me know if you have any questions! 😊

Thanks,

Happy New Year s9(2)(a), s6(d)

Just wanted to catch up on a few things.

- According to the Critical path would you like registrations to close on the 10th of February?
- Both Venues would be happy to have a look through the day before, what times would work for you?
- How many speakers will be up front for the Q&A session?

Regarding AV

- The Power Point presentation sizes need to be 16:9 for both venues
- We will have 2 hand held mic, projector and screen in both venues
- We will need to bring our own laptop with HDMI connection

Warm Regards,

Tanan

Hi s6(d), s9(2)(a)

Excellent, I will ensure that we remove the platters and have tea and coffee available for the 1:1 sessions.

I have gotten in contact with our Finance team about paying with a credit card, and unfortunately, they are all off. I don't believe it would be an issue, but I am just conscious of an add on cost. I will let you know of those details in the new year when I get a hold of them.

With the venues

Christchurch, s9(2)(b)(ii), s6(d) can hold 40 - 70 theatre style and the 1:1 sessions will be in the same room. While all guests will be having a casual buffet lunch in the restaurant the room will be re-set to accommodate the 1:1 session

Auckland, s9(2)(b)(ii), s6(d) can hold from 60 - 80 theatre style, and we will have an adjacent room for the 1:1 sessions.

I will be at the venues before 7 am to make sure everything is on track so happy to meet you in person ☺

I am also off and will return on the 6th of January. The venues are all booked and we will take care of the contracts from here.

Looking forward to working with you in 2020! Have a Merry Christmas and a Happy New Year!

Tanan

Thanks Graeme appreciate the feedback.

From my experience with the 1:1 meetings we won't need afternoon tea, perhaps just water for the staff and tea and coffee if they need one. Guests will be going in and out ☺

Happy for you to pay and then we work out our contribution. I would require an invoice and if I can pay the invoice via credit card will make the process less painful.

Just also flagging what happens if you have more than 40 guests in Christchurch and more than 60 in Auckland, can the venue add more chairs? Will the 1:1 be held in the same room or a different room but on site?

My plan is to go to the venue day before the briefing and happy to meet Tanan there.

Thanks again.

Hi s9(2)(a), s6(d)

We have confirmed the venues in Auckland and Christchurch. I have just had a look at the cost estimates for the briefings and they are as follows (in NZD of course):

	Expense tracking (estimates)		
	Price excl. GST	Quantity	Total - NZD
Auckland			
Venue hire/ s9(2)(b)(iii)	s9(2)(b)(ii)		
All Day Coffee/Tea			
Morning Tea			
Lunch			
Afternoon platter for 1:1 session			
AV (Screen, Projector, 2x mics, AV assistant)			
Christchurch			
Venue hire/ s9(2)(b)(ii)			
Delegate Package (includes catering)			
Afternoon platter for 1:1 session			
AV (PA System and 2x Handheld Microphones)			
TOTAL			

Tanan is questioning the AV costs in Auckland as it seems high.

I know you had requested to pay venue hire directly but it would be frankly easier if we paid the costs and then settled with you on the agreed amount. Would you be agreeable to that?

Regards,
Graeme

- Return NZ/Adelaide
- Internal flight Christchurch to Auckland

- BAE Systems will pay for the cost of the venue in Auckland
- BAE will pay for airport transfers and any transfers to/from hotel and briefing venues

We will have an update on venue options in Auckland before the end of this week – I hope with a confirm.

Other costs we will share are:

- Transport to site visits (where possible we will use our pool vehicles)
- Catering for briefings – morning tea, light lunch

I have no word from s9(2)(g)(ii), s9(2)(b) yet whether they wish to host a networking event on the evening of 20 February in Auckland. If so, I hope it will be at the venue – although I am leaving this in their court. If they decline then I suggest we don't bother, partly as many people for the earlier part of the day will have likely left by late afternoon.

If I have missed anything or above is not consistent with your understanding then let me know.

Hi Amanda and Jacinda

Would it be possible to get the invite back to you early next week, we will aim Monday. Unfortunately we have quite a few deadlines with an event for next Wednesday ☺.

We would also like to know besides a logo are we able to insert a graphic into the invite? Wasn't sure what systems you use.

Kind regards

Hi s6(d), s9(2)(a)

I am keen to get underway with planning for a visit by BAE to New Zealand in February 2020. My strong recommendation is to push for the second half of the month as early February tends to be interrupted with a statutory holidays.

I suggest two industry briefing events: Auckland and Christchurch, and allowing for time around these for potential supplier visits, one to one meetings etc.

Let me know which of week of 17-21 Feb or 24-28 Feb you prefer?

NZTE can provide venues for each briefing and with NZDIA and other channels reach out to the industry in New Zealand. As the end of year and Christmas is fast approaching I am keen to get some information out to industry here, including if possible a save the date.

What format do you envisage for the briefing? Will it be similar to the maritime briefing in Sydney I attended? I think you need to bear in mind that a New Zealand audience will be further back on the curve regarding their understanding of the Hunter class programme and the process by which potential suppliers can engage with BAE Systems or its OEMs. Most companies that will attend will not have done a lot in the defence sector, certainly in recent times, so will be unfamiliar with some of the defence specific requirements and processes.

What else would you look for from NZTE or others in New Zealand to support your visit?

Best regards,

Graeme Solloway

Good to hear from you.

Can we lock in Thursday 8th afternoon at your city office? I am going to fly in and fly out on the day (from Melbourne) and will look to catch up with 1-2 other people in the morning.

How long do you think we will need? I would like to get a really good overview of the project – so that I am best able to identify/introduce the right NZ firms into the program.

And also, useful to look beyond to other work with BAE Systems that would be relevant.

BTW – I am at the D+I Conference next week, so will look out for you there.

For your proposed visit, I have engagements on both mornings that I am unfortunately unable to shift. I am free both afternoons, so if one of those fits in with your proposed visit I could certainly

Subject: NZTE/BAE & visit to Adelaide

Hi s6(d), s9(2)(a)

It has been some time since we last caught up and I would very much like to re-establish our work together. There is a deal of interest over here in the major Australian defence projects, although knowledge of engagement, the opportunities and requirements around that remain patchy.

I am considering visiting Adelaide in early August and would really like to meet you and other key people in the BAE team. Our High Commissioner, Annette King, visited BAE in Adelaide recently –

were you in the meeting? So I would like to take her initiative forward and lift our engagement with you.

I am looking at coming to Adelaide on either Wednesday 7 August or Thursday 8 August. Would that suit you and colleagues?

Best regards,

Graeme Solloway

Peter,

Slowly recovering from Workboat and the inbox madness I have from a week out of the office. I am curious to hear what you can share about the project, and any help I can give.

Thursday is pretty clear so feel free to call me at s6(d), s9(2)(a)

Hi, I hope you are doing well.

I note you visited our booth during the workboat show. For information, I am engaged in project discussions in New Zealand. If of interest, I can share details as they progress. Otherwise, appreciate any support/guidance you can give.

Hi Graeme, s6(d), s9(2)(a),

Apologies – I've been trying to tee up with people on site whether we can organise a site tour and I'm finding it increasingly difficult to find someone who has availability to conduct. Unfortunately I'm unfamiliar with the s9(2)(b)(ii) site so would not be able to escort efficiently.

Still trying to find availability in the background but I'd be more than happy to facilitate a meeting whilst s9(2)(b)(ii) are in Europe for s9(2)(b)(ii)

My hope is by end of this week I can organise the s9(2)(b)(ii). Will keep you informed.

Apologies for the delay.

Sam

Hi [REDACTED]

Hoping you can help NZ firm [REDACTED]. [REDACTED] has been attempting to get hold of [REDACTED] regarding an impending visit to Europe – [REDACTED] is going to [REDACTED] in Hamburg, 4-7 September. [REDACTED] spent time with [REDACTED] when you were both in NZ last December, and [REDACTED] has had a strong involvement in the Australian and NZ naval shipbuilding programmes since [REDACTED].

[REDACTED] is planning a visit to BAE in Glasgow while he is in Europe, and was hoping to organise that through [REDACTED] following the invitation to see BAE in Glasgow made earlier re [REDACTED]. Unfortunately he has no response from [REDACTED] which may mean he has incorrect contact details or [REDACTED] has moved on elsewhere. Is there someone else that [REDACTED] could meet when he visits? Your advice would be appreciated.

[REDACTED] is under some pressure to get flights & accommodation booked, so grateful if you can help out.

Best regards,
Graeme

Hi guys

After a couple of aborted attempts, I thought I'd gauge interest in another steak and beers night on Saturday May 5. If we have a quorum I'll confirm and book a table.

Congratulations on the award of SEA5000. Fantastic outcome and I am sure it is of much relief, even if the Type 26 has been widely thought of as the best vessel for the RAN.

I look forward to working with you to identify New Zealand firms that can bring innovation and capability to your supply chain.

See you again soon.
