I believe parts of your request are more closely connected to the functions and responsibilities of other government agencies. Accordingly, I have therefore decided to partially transfer your request under section 14(b)(ii) of the Act as set out in the table below:

Part	Agency	Notes
3	Ministry of Foreign Affairs and Trade (MFAT)	In so far as the request relates to information held by MFAT.
4	Treasury	
6	Department of Internal Affairs (DIA)	

We are assessing the remainder of your request (parts 1, 2 and 5) and may still identify other Government agencies that are best suited to respond. Therefore, I have decided under section 15A to extend the time limits for transferring your request by an additional 10 days to allow appropriate time to complete consultations with other relevant agencies.

The agencies listed above have the usual timeframes under the Act from receipt of this transfer to make a decision on your request.

Yours sincerely
