I have decided to extend the timeframes to respond to your request by 20 working days. The extension is required because of the consultations needed to make a decision on your request. Despite the extension, a response will be sent to you as soon as possible.

I note that when we transferred parts 3, 4 and 6 of your request on 29 January 2021, we also extended the timeframes for transferring your request by 10 working days to align with our response due date. Please note that this extension also applies to the timeframes to transfer your request.

You have the right to ask the Ombudsman to investigate and review my decision under section 28(3) of the Act.

Yours sincerely
