Dear Joshua Grainger

This letter refers to your official information request dated 12 April 2011, received 13 April 2012, requesting

*all papers, correspondence, emails, memos, proposals, or other information related to plans to deal with "boat people". I am interested in anything that spells out what plans have been put developed, and the background to how these plans were arrived at, including any correspondence with third party agencies, Ministers, or other government departments.*

This letter is to notify you that the Department is transferring your request to the Minister of Immigration.

This transfer is occurring because the information you requested is believed by the Department to be more closely connected with the functions of the Minister of Immigration.

Further correspondence on this request will therefore come to you from the Minister of Immigration. Note that the time limit for responding will be 20 working days from when the Minister of Immigration receives this transfer from us.

Yours sincerely
