Dear Andrea Vance

Official Information Act request relating to Climate Change Commission Report

Thank you for your request made under the Official Information Act 1982 (the Act), received on 2 February 2021. You requested:

“All communications plans, including drafts, prepared for the release of the Climate Change Commission’s draft package of advice to Government on reducing greenhouse gas emissions.

Correspondence, including phone calls and text messages between the Office of the Prime Minister and the Office of the Minister for Climate Change, and the Commission on the release of the Commission’s advice, including but limited to, the date and timing of release.

All documents relating to briefing stakeholders on the advice ahead of release. This should include media.”

This office does not hold part of the requested information relating to Climate Change Commission Report and believe it is held by the Climate Change Commission. Accordingly, I have decided under section 14(b)(i) of the Act to transfer the first and third parts of your request to that agency. The other parts of your request have not been transferred, and I will respond in due course.

The Climate Change Commission has the usual timeframes from receipt of this transfer to make a decision on your request.

Yours sincerely
