Kia ora Oscar

Thank you for your Official Information Act 1982 (OIA) request dated 17 March 2021, you requested the following information:

I request a copy of the document "Appendix A - Offences which Police may refer to Te Pae Oranga providers". Page 1 of 12 of this document is circulating on social media, including Simeon Brown MP's latest Facebook post.

I have considered your request and offer the following response.

Te Pae Oranga is an Iwi/Māori-led, restorative principled approach to practice used as an alternative to prosecution that holds offenders to account and enables them to put right the harm caused by their offending. It is available to people of all ethnicities. Te Pae Oranga has been robustly evaluated and found to be effective alternative justice resolution, across all ages, genders, and ethnicities, reducing the harm from re-offending by 22.25 percent more than that of matched contemporaries who did not participate in a Te Pae Oranga panel.

As requested, we have attached Appendix A which contains a list of offences that may be referred to Te Pae Oranga (See Eligibility criteria and Exemptions excerpt from the Te Pae Oranga Policy, below).

The common law authority of Police discretion over charging decisions enables police officers to use their discretion to select the most appropriate course of action; taking into account the individual circumstances of the offending, the views of the victim, and the public interest considerations for or against prosecution as set out in the Solicitor-General's Prosecution Guidelines. All cases considered for Te Pae Oranga are carefully assessed for appropriateness.

Police National Headquarters

180 Molesworth Street. PO Box 3017, Wellington 6140, New Zealand.
Telephone: 04 474 9499. Fax: 04 498 7400. www.police.govt.nz

The following points outline the factors that an officer must consider:

Eligibility criteria

The following criteria must be satisfied:

- The offence is supported by evidential sufficiency (refer Solicitor General's Prosecution Guidelines)
- The participant must:
 - be 18 years or over
 - admit responsibility for the offence and agree to participate
- The offence must:
 - carry 6 months imprisonment or less, or
 - be Possess/Uses Utensils (codes 3158, 3185, 3284 or 5985), or
 - be a non-qualifying offence approved for an exemption (see below)
- The offence must not have arisen out of:
 - family violence-related offending
 - driving charge with mandatory disqualification
 - firearm charge
 - second-hand dealer offences.
- The participant must not:
 - have active charges being pursued through the Court.

Exemptions

In exceptional cases, a frontline police officer can seek an exemption to the referral criteria due to the nature of the offending. Applications for an exemption must be included as part of a referral decision and advice should be sought from Police's Māori, Pacific and Ethnic Services team.

You have the right, under section 28(3) of the OIA, to ask the Ombudsman to review my decision if you are not satisfied with the way I have responded to your request.

Yours sincerely,

Michael McLean
Director
Māori, Pacific, and Ethnic Services
