We then clarified some aspects of your request with you on 23 March 2021:

- *may I please have the data on the Crisis Resolution Service, rather than for Te Haika*
- *Number of hospitalisations for mental health per year: yes please can I have the data for the acute adult inpatient units and for younger persons acute inpatient service.*

Released under the Official Information Act

Number of total new exits per month, by age group (five-year bands), 2015 – 2020 calendar year

This data would be a count of referral number and the one above would be distinct individual. We can't do this accurately across the DHBs as we have used several different processes for recording referrals over the past 5 years. This data is not in an easily retrievable format as such is therefore declined under Section 18F of the official information act.
