Dear Elodie

**Subject: Official Information Act request Re: mental health data**

Thank you for your request for information under the Official Information Act received by Lakes DHB on 6 April 2021. You have asked:

- ***Number of new entries/cases per month, by age group (five year bands if possible\*), 2015 – 2020 calendar year***
- ***Number of cases open at month end, by age group (five year bands), 2015 – 2020 calendar year***
- ***Number of people exiting per month, by age group (five year bands if possible\*), 2015 – 2020 calendar year***

***For the DHB:***

- ***Number of hospitalisations for mental health per year, emergency and non-emergency, by age group (five year bands), 2015 – 2020 calendar year***
- ***Number of people waitlisted to see a psychologist per year, by age group (five year bands), 2015 – 2020 calendar year***
- ***Number of people seeing a psychologist, per year, by age group (five year bands), 2015 – 2020 calendar year***
- ***Number of psychologists employed by the DHB at year end (split by part time, full time, contracted) by year, 2015 – 2020 calendar year***

***\*Five year bands are ideally 0 – 5, 6 – 10, 11 -15, 16- 20, 21 – 25, 26 -30, etc. If there is too much suppression in those age bands can it please be in ten year age bands.***

**Response:**

The questions one to three refer to Lakes DHB Mental Health and Addiction services as requested. These include Child and Adolescent mental health; adult mental health, emergency, acute, crisis response, and elderly. Please note a patient could have been involved with more than one service at a time. Also please note, instead of five year bands for age group specified in the request, we have used ten year age bands.

**1. Number of new entries/cases per month, by age group (five year bands if possible\*), 2015 – 2020 calendar year**

The table below shows the number of contacts made by Lakes DHB Mental Health and Addiction services. We have interpreted the question as the patient activities done for the services.
