Dear Lobby New Zealand

**Transfer of your request for official information**

Thank you for your request under the Official Information Act 1982 (the Act) on 11 April 2021 for:

> *"Today we are requesting for all communications between the Ministry of Health, or any other relevant agency, and the most recently announced community case of COVID-19 — a 24 year old border worker who works as a security officer at the Grand Millennium.*
>
> *Specifically, the communications between both parties regarding public locations visited while the case was potentially infectious with the SARS-CoV-2 virus."*

The Ministry of Health does not hold any information relating to your request; however, I have been advised that this information is more closely connected with the functions of Auckland District Health Board (ADHB). For this reason, I have decided to transfer your request to ADHB under section 14 of the Act. You can expect a response from ADHB in due course.

Under section 28(3) of the Act you have the right to ask the Ombudsman to review any decisions made under this request. The Ombudsman may be contacted by email at: info@ombudsman.parliament.nz or by calling 0800 802 602.

Yours sincerely

Dear Ministry of Health,

Today we are requesting for all communications between the Ministry of Health, or any other relevant agency, and the most recently announced community case of COVID-19 — a 24 year old border worker who works as a security officer at the Grand Millennium.

Specifically, the communications between both parties regarding public locations visited while the case was potentially infectious with the SARS-CoV-2 virus.

Yours faithfully,

Lobby New Zealand
