9 April 2021	4010	538	3472	13%

Other Government Agencies working at the border

Out of Scope

Note: other Government Agencies working at the border are excluded from totals and commentary

Commentary

MIQ Denominator

Today's report shows an increase in MIQ staff members by 122.

Vaccination bookings

Approximately one third or 145 of the 451 unvaccinated staff are booked for either their first vaccination. If these vaccinations were completed today this would leave 6.5% of the MIQ workforce unvaccinated.
