

**STATUTORY DECLARATION IN SUPPORT OF CONFIRMING ONGOING
IMPLEMENTATION OF MANAGED SPECTRUM PARK LICENCES PURSUANT TO
CLAUSE 5.2 and 5.3 OF THE MSP LICENCE AGREEMENT**

Hurunui District TLA's

I, **Christopher James Roberts, of Amuri Net Limited, P.O.Box 155 Culverden 7345**, do solemnly and sincerely declare that:

1. I am a **Director of Amuri Net Limited** (the "Company") and authorised by the Company to make this declaration on its behalf.
2. The Company has deployed Fixed Wireless Access Services in the **Hurunui District** Territorial Local Authority Areas
3. The Services are in continuous 24 hour operation, other than for routine maintenance and upgrades.
4. The transmission sites are all at the transmit locations listed in the schedule of licences attached below.
5. Neither the Company nor any Associates hold or have registered interests in Other Management Rights or Spectrum Licences (in the 2.3GHz to 2.7GHz range) or Controlling Interests in relation to such management rights.
6. The average maximum site transmit power is the same as that recorded on the licences listed (if not you must specify the actual power utilised for each licence).
7. The number of client entities the Company has contracted with who use services transmitted in accordance with the provisions of the licences listed is: **9(2)(b)(ii)**
8. The Company is not able to provide the same or equivalent service as the Services that are being provided under the Licence using: another radio licence or spectrum licence held by the Company or an Associate of the Company; or a telecommunications network available to the Company or an Associate of the Company
9. All other provisions of the Managed Spectrum Park Licence Agreement and the Managed Spectrum Park Rules have been, and will continue to be, complied with by the Company.
10. If there are any other relevant considerations or any other special circumstances justifying the continuation or cancellation of the Licences, these should be specified in an attachment to this Statutory Declaration. Is further information attached: **Yes**

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the Oaths and Declarations Act 1957.

**STATUTORY DECLARATION IN SUPPORT OF CONFIRMING ONGOING
IMPLEMENTATION OF MANAGED SPECTRUM PARK LICENCES PURSUANT TO CLAUSE
5.2 and 5.3 OF THE MSP LICENCE AGREEMENT**

Gisborne District

I, **Ronald Brice, of Gisborne.net.nz Limited, 31 Bright Street**, do solemnly and sincerely declare that:

1. I am the **General Manager of Gisborne.net.nz Limited** (the "Company") and authorised by the Company to make this declaration on its behalf.
2. The Company has deployed **Fixed Wireless Access Services** in the **Gisborne District**.
3. The Services are in continuous 24 hour operation, other than for routine maintenance and upgrades.
4. The transmission sites are all at the transmit locations listed in the schedule of licences attached below.
5. Neither the Company nor any Associates hold or have registered interests in Other Management Rights or Spectrum Licences (in the 2.3GHz to 2.7GHz range) or Controlling Interests in relation to such management rights.
6. The average maximum site transmit power is the same as that recorded on the licences listed (if not you must specify the actual power utilised for each licence).
7. The number of client entities the Company has contracted with who use services transmitted in accordance with the provisions of the licences listed is: **9(2)(b)(ii)**
8. The Company is not able to provide the same or equivalent service as the Services that are being provided under the Licence using: another radio licence or spectrum licence held by the Company or an Associate of the Company; or a telecommunications network available to the Company or an Associate of the Company.
9. All other provisions of the Managed Spectrum Park Licence Agreement and the Managed Spectrum Park Rules have been, and will continue to be, complied with by the Company.
10. If there are any other relevant considerations or any other special circumstances justifying the continuation or cancellation of the Licences, these should be specified in an attachment to this Statutory Declaration. Is further information attached: **No**

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the Oaths and Declarations Act 1957.

5.2 and 5.3 OF THE MSP LICENCE AGREEMENT**

Re licences in the Hauraki District, Matamata-Piako District, Waipa District, Hamilton City, Waikato District, Auckland Super City (former Franklin district only), Rotorua District, Whakatane District, Taupo District, Western Bay of Plenty District, Tauranga City & Hamilton City Territorial Local Authority areas.

I, Andrew Dean JOHNSON, of Lightwire Ltd, South Bloc Building, Level 2, 19 Knox Street, Hamilton 3204, do solemnly and sincerely declare that:

1. I am a director of Lightwire Ltd (the "Company") and authorised by the Company to make this declaration on its behalf.
2. The Company has deployed Fixed Wireless Access Services in the Hauraki District, Matamata-Piako District, Waipa District, Hamilton City, Waikato District, Auckland Super City (former Franklin district only), Rotorua District, Whakatane District & Taupo District Territorial Local Authority Areas.
3. The Services are in continuous 24hour operation, other than for routine maintenance and upgrades.
4. The transmission sites are all at the transmit locations listed in the schedule of licences attached below.
5. Neither the Company nor any Associates hold or have registered interests in Other Management Rights or Spectrum Licences (in the 2.3GHz to 2.7GHz range) or Controlling Interests in relation to such management rights.
6. The average maximum site transmit power is the same as that recorded on the licences listed.
7. The number of client entities the Company has contracted with who use services transmitted in accordance with the provisions of the licences listed is: 9(2)(b)(ii)
[REDACTED]
8. The Company is not able to provide the same or equivalent service as the Services that are being provided under the Licence using: another radio licence or spectrum licence held by the Company or an Associate of the Company; or a telecommunications network available to the Company or an Associate of the Company
9. All other provisions of the Managed Spectrum Park Licence Agreement and the Managed Spectrum Park Rules have been, and will continue to be, complied with by the Company.

h

RELEASED UNDER THE OFFICIAL INFORMATION ACT 1982

10. If there are any other relevant considerations or any other special circumstances justifying the continuation or cancellation of the Licences, these should be specified in an attachment to this Statutory Declaration. Is further information attached: No

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the Oaths and Declarations Act 1957.

**STATUTORY DECLARATION IN SUPPORT OF CONFIRMING ONGOING
IMPLEMENTATION OF MANAGED SPECTRUM PARK LICENCES PURSUANT TO
CLAUSE 5.2 and 5.3 OF THE MSP LICENCE AGREEMENT**

New Plymouth, South Taranaki & Wanganui District TLA areas

I, **Matthew Harrison, of Primowireless Limited, 123 Molesworth Street, New Plymouth, 4312**, do solemnly and sincerely declare that:

1. I am a **Managing Director of Primowireless Limited** (the "Company") and authorised by the Company to make this declaration on its behalf.
2. The Company has deployed **Broadband Services** in the New Plymouth, South Taranaki & Wanganui District Territorial Local Authority Areas.
3. The Services are in continuous 24 hour operation, other than for routine maintenance and upgrades.
4. The transmission sites are all at the transmit locations listed in the schedule of licences attached below.
5. Neither the Company nor any Associates hold or have registered interests in Other Management Rights or Spectrum Licences (in the 2.3GHz to 2.7GHz range) or Controlling Interests in relation to such management rights.
6. The average maximum site transmit power is the same as that recorded on the licences listed (if not you must specify the actual power utilised for each licence).
7. The number of client entities the Company has contracted with who use services transmitted in accordance with the provisions of the licences listed is: 9(2)(b)(ii)
8. The Company is not able to provide the same or equivalent service as the Services that are being provided under the Licence using: another radio licence or spectrum licence held by the Company or an Associate of the Company; or a telecommunications network available to the Company or an Associate of the Company
9. All other provisions of the Managed Spectrum Park Licence Agreement and the Managed Spectrum Park Rules have been, and will continue to be, complied with by the Company.
10. If there are any other relevant considerations or any other special circumstances justifying the continuation or cancellation of the Licences, these should be specified in an attachment to this Statutory Declaration. Is further information attached: **No**

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the Oaths and Declarations Act 1957.

I, **Hayden Simon**, of **Uber Group Ltd**, 53 Port Road, Whangarei, 0110, do solemnly and sincerely declare that:

1. I am a **Director of Uber Group Ltd** (the "Company") and authorised by the Company to make this declaration on its behalf.
2. The Company has deployed Fixed wireless access broadband Services within parts of the Kaipara Territorial Local Authority Area.
3. The Services are in continuous 24 hour operation, other than for routine maintenance and upgrades.
4. The transmission sites are all at the transmit locations listed in the schedule of licences attached below.
5. Neither the Company nor any Associates hold or have registered interests in Other Management Rights or Spectrum Licences (in the 2.3GHz to 2.7GHz range) or Controlling Interests in relation to such management rights.
6. The average maximum site transmit power is the same as that recorded on the licences listed (if not you must specify the actual power utilised for each licence).
7. The number of client entities the Company has contracted with who use services transmitted in accordance with the provisions of the licences listed is: 9(2)(b)(ii)
8. The Company is not able to provide the same or equivalent service as the Services that are being provided under the Licence using: another radio licence or spectrum licence held by the Company or an Associate of the Company; or a telecommunications network available to the Company or an Associate of the Company
9. All other provisions of the Managed Spectrum Park Licence Agreement and the Managed Spectrum Park Rules have been, and will continue to be, complied with by the Company.
10. If there are any other relevant considerations or any other special circumstances justifying the continuation or cancellation of the Licences, these should be specified in an attachment to this Statutory Declaration. Is further information attached: **No**

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the Oaths and Declarations Act 1957.

Signature of declarant:

**STATUTORY DECLARATION IN SUPPORT OF CONFIRMING ONGOING
IMPLEMENTATION OF MANAGED SPECTRUM PARK LICENCES PURSUANT TO
CLAUSE 5.2 and 5.3 OF THE MSP LICENCE AGREEMENT**

Within parts of the Ashburton District & Selwyn District TLA areas

I, **Michael Smith of Ultimate Mobile Limited T/as UBB, Unit 8/158 Cavendish Road, Casebrook Christchurch** do solemnly and sincerely declare that.

1. I am a **CEO of Ultimate Mobile Limited T/as UBB** (the "Company") and authorised by the Company to make this declaration on its behalf.
2. The Company has deployed Telecommunications Services within parts of the **Ashburton District Council** Territorial Local Authority Area.
3. The Services are in continuous 24 hour operation, other than for routine maintenance and upgrades.
4. The transmission sites are all at the transmit locations listed in the schedule of licences attached below.
5. Neither the Company nor any Associates hold or have registered interests in Other Management Rights or Spectrum Licences (in the 2.3GHz to 2.7GHz range) or Controlling Interests in relation to such management rights.
6. The average maximum site transmit power is the same as that recorded on the licences listed (if not you must specify the actual power utilised for each licence).
7. The number of client entities the Company has contracted with who use services transmitted in accordance with the provisions of the licences listed is 9(2)(b)(ii)
8. The Company is not able to provide the same or equivalent service as the Services that are being provided under the Licence using: another radio licence or spectrum licence held by the Company or an Associate of the Company; or a telecommunications network available to the Company or an Associate of the Company
9. All other provisions of the Managed Spectrum Park Licence Agreement and the Managed Spectrum Park Rules have been, and will continue to be, complied with by the Company.
10. If there are any other relevant considerations or any other special circumstances justifying the continuation or cancellation of the Licences, these should be specified in an attachment to this Statutory Declaration. Is further information attached: No

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the Oaths and Declarations Act 1957.

Within parts of the [Masterton, Carterton and South Wairarapa] TLA area

I, **[Bridget Canning]**, of **[WIZwireless Ltd]**, **[16 Opaki Rd, Lansdowne, Masterton]**, do solemnly and sincerely declare that:

1. I am a **[CEO]** of **[WIZwireless]** (the "Company") and authorised by the Company to make this declaration on its behalf.
2. The Company has deployed **[Fixed wireless services]** Services within parts of the **[Masterton, Carterton and South Wairarapa]** Territorial Local Authority Area.
3. The Services are in continuous 24 hour operation, other than for routine maintenance and upgrades.
4. The transmission sites are all at the transmit locations listed in the schedule of licences attached below.
5. Neither the Company nor any Associates hold or have registered interests in Other Management Rights or Spectrum Licences (in the 2.3GHz to 2.7GHz range) or Controlling Interests in relation to such management rights.
6. The average maximum site transmit power is the same as that recorded on the licences listed (if not you must specify the actual power utilised for each licence).
7. The number of client entities the Company has contracted with who use services transmitted in accordance with the provisions of the licences listed is: **9(2)(b)(ii)**
8. The Company is not able to provide the same or equivalent service as the Services that are being provided under the Licence using: another radio licence or spectrum licence held by the Company or an Associate of the Company; or a telecommunications network available to the Company or an Associate of the Company.
9. All other provisions of the Managed Spectrum Park Licence Agreement and the Managed Spectrum Park Rules have been, and will continue to be, complied with by the Company.
10. If there are any other relevant considerations or any other special circumstances justifying the continuation or cancellation of the Licences, these should be specified in an attachment to this Statutory Declaration. Is further information attached: **[No]**

RELEASED UNDER THE OFFICIAL INFORMATION ACT 1982

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the Oaths and Declarations Act 1957.
