With concern raised by school around police intentions with the search of the school, Western AC and NCA conferred. School would continue with security with support by random police patrols followed by engagement of specialist search squad in the morning. School advised of this approach by DCC particularly as they raised concerns around when the school could be operational again and left behind medication recovered for the students moved off site. Assurance given that they would be contacted early morning by the Operation Lead (A/C notified of details by email).
