Dear Fred

I refer to your Official Information Act 1982 (OIA) request dated 16 May 2021 for information relating to traffic infringements.

You requested:

- 1. I would like a summary of all traffic infringements issued for the period 1st January 2019 - 31st December 2019. It would be more than acceptable to have this summary listed by infringement type, e.g. speeding, failing to stop for a stop sign, failing to indicate etc. If possible can this be delivered via an Excel spreadsheet.*

The requested information can be found in Table 1 in the attached spreadsheet. As requested, the data provided is for the number of traffic infringements only (as issued on an infringement offence notice (ION)) and does not include traffic charges or other offence resolutions, such as Written Traffic Warnings. All outcomes are included, regardless of whether an infringement fee is paid, waived or referred to Ministry of Justice for unpaid fee.

Please note that the offence categories used may differ from those published elsewhere.

This reply contains provisional data which is drawn from a dynamic operational database. This is subject to change as new information is recorded or recoded.

I trust that this information is satisfactory in answering your request.

Yours sincerely
