- *A list of all briefings, reports, aide memoirs and memos received by the Minister in her capacity as Children and Social Development Minister between 1 April 2017 and 30th June 2017.*

The list enclosed includes the titles of reports provided to me in my capacity as Minister for Children and Minister for Social Development in the period from 1 April 2017 to 30 June 2017.

Please note that some titles are withheld under section 9(2)(f)(iv) of the Act as the information contained is under active consideration. The release of this information is likely to prejudice the ability of government to consider advice and the wider public interest of effective government would not be served.

One title has been partially withheld under section 9(2)(c) of the Act as the release of this information is likely to prejudice the measures protecting the health or safety of members of the public.

Some information is also withheld under sections 9(2)(i) and 9(2)(j) of the Act to enable the Ministry to carry on, without prejudice or disadvantage, negotiations (including commercial and industrial negotiations). 9(2)(a)

Dear 9(2)(a)

On 23 March 2018, you emailed my Office requesting, under the Official Information Act 1982 (the Act), the following information:

- *A list of all briefings, reports, aide memoirs and memos received by the Minister in her capacity as Children and Social Development Minister between 1 February 2018 and March 2018.*

You subsequently clarified your request to be for reports up to 31 March 2018. A list of reports received in my capacity as Minister for Children between 1 February 2018 and 31 March 2018 is enclosed.

Please note that nine titles are withheld under section 9(2)(f)(iv) of the Act as the information contained is under active consideration. The release of this information is likely to prejudice the ability of government to consider advice and the wider public interest of effective government would not be served. Some names have been withheld under section 9(2)(a) of the Act to protect the privacy of individuals. I have not identified any countervailing public interest which would outweigh these reasons for withholding information.
