Tēnā koe Sean,

**Your Official Information Act request, reference OIA2021-0688**

Thank you for your email of 27 May 2021 requesting the following information under the Official Information Act 1982 (the Act):

*Has the Minister ever issued a land information memorandum under s 44A of the Local Government Official Information and Meetings Act 1987? If so, how many?*

*Has the Minister ever issued certificates of compliance under the RMA? If so, how many?*

I can advise you that the Minister of Local Government, has issued two land information memorandums under section 44A of the Local Government Official Information and Meetings Act 1987.

The Department has searched its records and can find no record of the Minister issuing any certificates of compliance under the Resource Management Act 1991.

Nāku noa, nā
