Hi 9(2)(a)

Thanks for this information.

We as advisors have to ask two questions regarding the Vulnerable Children Act 2014 – does the *request* include services or activities for children or young people as defined by the Vulnerable Children Act 2014 and does the *organisation* provide services or activities for children or young people as defined the Vulnerable Children Act 2014.

My question for ICPE did not involve the request as you are seeking funding to have a specialist report prepared and this will not involve services for children or young people as defined by the Vulnerable Children Act.

I have uploaded this information to your organisation profile for future reference.

Kind regards,

Freya Surgenor | Community Advisor | Lottery Environment and Heritage | Service Delivery and Operations

Dear Freya,

Further to my earlier email.

I attach the opinion received from ICPE's solicitors which will be self explanatory.

Notwithstanding, since it is the policy of the Catholic Archdiocese of Wellington to Police vet all who volunteer for children's ministry, we will be following that policy at St Gerard's. It is now underway.

With all good wishes.

Subject: Further LEH query

Hi 9(2)(a)

Further query regarding the LEH request – does your organisation provide services or activities for children or young people as defined by the Vulnerable Children Act 2014? If so, does the organisation comply with the requirements of the Vulnerable Children Act? The element of the Act that is relevant to Lottery grants is the need for children's workers (all workers who have regular or overnight contact with children, without a parent or guardian present, as part of their role) to be safety checked (including police vetting).

Look forward to your response.

Kind regards,
