Dear David

RE Official Information Act request CDHB 10638

I refer to your email dated 19 June 2021 requesting the following information under the Official Information Act from Canterbury DHB.

- 1. I would like a summary of how many people are in each of the four Covid-19 vaccine rollout groups in areas administered by the CDHB.**
- 2. Additionally, I would like the same summary provided just for the area of greater Christchurch city.**
- 3. I would also like a weekly breakdown of the number of vaccinations that the CDHB is targeting for each of these groups. This could be provided as a weekly summary of the number of people the CDHB is expecting to be vaccinated in each group, from the beginning of the vaccination programme until the end.**

Consultations which are necessary to make a decision on the request mean that a proper response to the request cannot reasonably be made within the original time limit.

The Canterbury District Health Board (CDHB) therefore requires further time prior to issuing our response. The period of the extension is 9 August 2021.

We are permitted to make this extension under Section 15A of the Official Information Act 1982.

You have the right to complain to the Ombudsman about our decision to extend the time for responding.

Information about making a complaint is on the website of the office of the Ombudsman (www.ombudsman.parliament.nz). You can also contact the office on 0800 802 602.

Yours sincerely
