Dear M Lambert

I refer to your Official Information Act 1982 request dated 22 June 2021 for information relating to overweight and over mass offences.

You requested:

1. *How many infringements were issued to companies or individuals holding a Transport Service Licence from the period of 15th May 2021 to 15th June 2021 for the following locations specifically relating to over weight or over mass. 1. Paengaroa Compliance (SH33), Paengaroa, Bay of Plenty. 2. Rotokawa Compliance, Rotorua, Bay of Plenty.*

The requested information can be found in Table 1.

Please note that the location of infringement offences relies on street and locality as recorded by the officer. This information is free text and is therefore an imperfect matching process when narrowing the applicable offences down to specific weighbridge locations. In addition, because street-level detail is only recorded on infringement offence notices, applicable traffic offences resolved by another resolution (such as a charge or written traffic warning) are not included.

Each of the infringement offences indicated in Table 1 have a Transport Service Licence number recorded on the infringement offence notice (ION).

Table 1: Vehicle mass-related infringement offences recorded on IONs at Paengaroa weighbridge and Rotokawa weighbridge, Bay of Plenty, 15 May to 15 June 2021 (as of 23 June 2021)

Weighbridge	Offence Count
Rotokawa	10
Paengaroa	26
Total	36
