Information Request – Newtown225

I refer to your official information request dated 16 July 2021 asking the following:

I was just wondering what's the current situation with Newtown225, as it appears to have been replaced by a relief Type 4 truck for quite some time now, and was wondering when it could potentially be returning to service?

I can confirm that Newtown225 is currently undergoing maintenance work and expected back at the Newtown Station within the next two months.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
