Dear David

**Local Government Official Information and Meetings Act 1987 (LGOIMA):
Request for Information**

I refer to your email of 13 August 2021 requesting information on monitoring and reporting of nitrates in ground and surface water across Canterbury. Your request has been referred to me to reply.

Please find the requested information at [Environment Canterbury LGOIMA Information - Request 2140C - All Documents \(sharepoint.com\)](#). You will be sent separate instructions on how to access this information by our IT team.

Please note we do not hold and therefore cannot provide under section 17(e) of the LGOIMA;

- The 2015-16 annual report for CRC082192
- The information relating to clause 5 of CRC156662
- Some annual reports for CRC084323

You will be aware that if you are not satisfied with this response, you are able to refer this matter to the Office of the Ombudsman under s27(3) of the LGOIMA.

Please be advised that we now put LGOIMA responses that are in the public interest onto our website. No personal details of the requester are given, but we do summarise the essence of the request alongside the response.

Should you require any further information or clarification, please do not hesitate to contact Lillian Sewell in the first instance (lillian.sewell@ecan.govt.nz or 033677340).

Yours sincerely,

Katherine Harbrow
Director Operations
