On the Auckland Facility Management Plan, it states that asset reports/ audits are completed on each and every council asset

a) Can I please request these reports to view for the Lloyd Elsmore skatepark,

Please find attached the 2021 inspection reports on Lloyd Elsmore Park, which includes the skatepark.

Please note that some information has been withheld under section 9(2)(i) of the Local Government Official Information and Meetings Act.

b) I also see that it refers to framework for all asset types and develop new, when necessary, is this correct?

There is currently not a regional framework for the provision of skateparks across Auckland. This sits with Local Boards.
