Kia ora Adam

The information you have requested – CAS-456062-V8C4X9

I refer to your request for information dated 15 October 2021 regarding the Tamaki Drive Cycle Route project.

The budget to date for Tamaki Drive Cycle Route is \$25.8M, this includes investigation, design and construction costs between Plumber St to Ngapipi Bridge plus the cost for raising the road between Outboard Boating Club and Ngapipi Bridge.

The funding for this project was allocated as 50% Waka Kotahi (NZ Transport Agency) and 50% AT.

The public consultation period ran from 22 May to 18 June 2017, and we received 644 submissions on this proposal. In September 2017 we had a joint public consultation with the Glen Innes Tamaki Drive Shared Path and Ngapipi Bridge Widening.

You can download the public feedback report, including an analysis of feedback and Auckland Transport responses, [here](#).

No climate impact assessment was undertaken by AT for this project.

You can view the detailed design plans on the AT website project page. We have provided copies of the construction plans for this project.

We have provided the plans for the Solent Street/Tamaki Drive intersection.

Some sections of the provided documentation have been withheld under:

- Section 7(2)(a) of the Act, as withholding the information is necessary to protect the privacy of natural persons, including that of deceased natural persons.

Please click on this [link](#) to download the information that we hold in relation to you request.

Should you believe that we have not dealt with your request appropriately, you are able to make a complaint to the Office of the Ombudsman and seek an investigation and review in regard to this matter.

Kind regards

David Nelson
