Information Request – OIA-F3308051 - Red Beach

I refer to your official information request dated 17 September 2021 asking for the following information:

I would like a copy of the incident report, reference F3308051 related to a call out in Red Beach, Auckland.

In accordance with the provisions of the Official Information Act 1982, I *enclose* the SMS Incident Report. Some information has been redacted to protect the privacy of individuals identified in the report.

Please note the SMS Incident Report provided to you is generated by Fire and Emergency New Zealand's electronic station management system (SMS Report). In SMS Reports, 'Notifications' and 'Message Log' fields are reported in real time as fire crews and our communication centres communicate with each other during the incident. They are not the official final records of incidents but word for word transcripts of 'live' situations as they occur. They may contain spelling errors or commonly used abbreviations.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Nāku noa, nā
