Dear Mr Smith

Official Information Act Request for – Recruitment & Vaccination

I write in response to your Official Information Act request received by us 22nd September 2021, you requested the following information:

- **Does your health board hire staff through Mercury Medical Recruitment? If so, what percentage of these workers have received the Covid vaccination?**

Counties Manukau Health Response:

For context Counties Manukau Health (CM Health) employs over 8,500 staff and provides health and support services to people living in the Counties Manukau region (approx. 601,490 people). We see over 118,000 people in our Emergency Department each year, and over 2,000 visitors come through Middlemore Hospital daily.

In response to your request for information, CM Health does not at this point have any staff, locums or contractors through Mercury Medical Recruitment.

I trust this information answers your request. You are entitled to seek a review of the response by the Ombudsman under section 28(3) of the Official Information Act. Information about how to make a complaint is available at www.ombudsman.parliament.nz or Freephone 0800 802 602.

Please note that this response or an edited version of this may be published on the Counties Manukau Health website. If you consider there are good reasons why this response should not be made publicly available, we will be happy to consider this.

Yours sincerely

Dr Peter Watson
Acting Chief Executive Officer
Counties Manukau Health
