Subject: Streets Basemap source change
To: [s 9(2)(a)] [REDACTED]

Hi,

On Monday we are upgrading and changing the source of the default 'Streets' Basemap. You may notice a slight change in style as the new source is higher resolution and a better design.

No other basemaps are changing, just the Streets. The data in the Streets basemap remains the same, Open Streetmap.

Please let me know if you have any questions!

Enjoy your afternoon
