Dear Ms Haden

On behalf of Hon Judith Collins, Minister of Justice, I acknowledge receipt of your request for information received on 23 June 2014 in the Minister's office. Your request was for the following:

"...any discussion papers, policy documents which explore and now outline the procedure for finding a person guilty and subsequent conviction by a judge and the conviction of a person by the jury".

I believe that if this information is available, it would be held by the Ministry of Justice. Therefore under Section 14(b)(i) of the Official Information Act 1982, I am transferring your request to the Ministry of Justice for response.

I trust that you will receive a response from the Ministry in due course.

Kind regards

Ashleigh Muir
