Information Request – Antonio Hall & Bromley Wastewater Plant

I refer to your official information request dated 11 November 2021 asking for:

Can you please provide an incident report for F3352885 and also the Bromley Wastewater Treatment Plant fire in Christchurch.

We wrote to you on 9 December 2021 enclosing SMS Incident Report F3352885 for Antonio Hall. We also advised of an extension to the time limit to make a decision on the remainder of your request due to the consultations necessary.

In accordance with the provisions of the Official Information Act 1982, I *enclose* the SMS Incident Report for the Bromley Wastewater Plant. Some information has been redacted to protect the privacy of individuals identified in the report.

Please note the SMS Incident Report provided to you is generated by Fire and Emergency New Zealand's electronic station management system (SMS Report). In SMS Reports, 'Notifications' and 'Message Log' fields are reported in real time as fire crews and our communication centres communicate with each other during the incident. They are not the official final records of incidents but word for word transcripts of 'live' situations as they occur. They may contain spelling errors or commonly used abbreviations.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Nāku noa, nā

Amelia Dalley
