Dear Mr Crawford

Request for information

I refer to your request pursuant to the Official Information Act 1982 for the following information:

...the total number of staff who kept their jobs after being convicted of DIC in the courts in the last 5 years.

I have considered your request in accordance with the Official Information Act 1982.

Three Police staff members have remained in their original positions after being convicted of Driving with Excess Breath/Blood Alcohol in the past 5 years. These three staff members were employees, and not constabulary staff. Six other staff members have remained employed by NZ Police after being convicted of Driving with Excess Breath/Blood Alcohol in the past 5 years. However, these staff members were transferred to a different position following their conviction.

Yours sincerely

Superintendent Richard Chambers
Acting Deputy Chief Executive People
