Dear Canterbury Regional Council,

Please provide a breakdown of all Low Cost Low Risk projects which were allocated funding under the Low Cost/Low Risk category, for the period 2018-2021, in the 2015 RLTP (updated 2018). This information can be restricted to those items which appear in TABLE 1: PRIORITY 1 EXPENDITURE on pages 42 and 43 of the Canterbury Regional Land Transport Plan 2015 - 2025.

In particular, I am seeking information on which projects included improved pedestrian or cycling facilities, what the locations of the improvements were and what their budget allocation was.

Please include projects which were funded in this period but may have had construction delayed into the current funding period.

Yours faithfully,

Tim Adriaansen
