Dear Tim

Local Government Official Information & Meetings Act 1987 Request: Low Cost Low Risk Transport Projects

We refer to your email of 17 November 2021 to Environment Canterbury. On 13 December 2021 Environment Canterbury formally transferred the request to Timaru District Council under section 12 of the Local Government Official Information & Meetings Act 1987. Your particular requests and responses are set out below:

Request: Please provide a breakdown of all Low Cost Low Risk projects which were allocated funding under the Low Cost/Low Risk category, for the period 2018-2021, in the 2015 RLTP (updated 2018). This information can be restricted to those items which appear in TABLE 1: PRIORITY 1 EXPENDITURE on pages 42 and 43 of the Canterbury Regional Land Transport Plan 2015 - 2025.

In particular, I am seeking information on which projects included improved pedestrian or cycling facilities, what the locations of the improvements were and what their budget allocation was. Please include projects which were funded in this period but may have had construction delayed into the current funding period.

Response: Please see attached sheet.

If you are not satisfied with our response, you have the right to ask the Ombudsman to investigate and review our decision. The Ombudsman can be contacted at PO Box 10 152, Wellington 6143, or Freephone 0800 802 602, or at <http://www.ombudsman.parliament.nz>

Yours faithfully
