Dear Harold

**Official Information Act Request for – COVID-19 Home Isolation Performance**

I write in response to your Official Information Act request received by us 22<sup>nd</sup> November 2021 regarding information about Covid-19 Home Isolation Performance:

*I would like to make a request relating to Counties Manukau District Health Board's performance in providing care to COVID-19 cases in community isolation.*

*The Ministry of Health guideline "Managing COVID-19 in the community" published on the Ministry website earlier this month states that it is one of the responsibilities of district health boards providing care for COVID-19 cases in community isolation to ensure "adequate daily reporting on risk and performance" is submitted to the Ministry of Health.*

*I request copies of all such daily reporting produced by Counties Manukau District Health Board, dated since the beginning of this month.*

We have transferred your request to the Northern Region Health Coordination Centre (NRHCC). The information to which your request relates is believed to be more closely connected with the functions of NRHCC.

In these circumstances, we are required by section 14 of the Official Information Act to transfer your request. You will hear further from them regarding your request.

Yours sincerely

**Fepulea'i Margie Apa**
