Dear Ethan

I refer to your information request dated 1 January 2022 made under the Official Information Act 1982. You have requested the upper quartile, lower quartile and median of the weighted GPAs for successful Graduate category applicants to the 2020 and 2021 Bachelor of Dental Surgery (BDS) programmes.

Please see the below tables which show the upper quartile, lower quartile and median of the weighted GPAs for successful Graduate General category applicants to the 2020 and 2021 BDS programmes:

Weighted GPA of Successful Graduate General category applicants	2020 BDS Programme	2021 BDS Programme
Upper Quartile	7.95	8.53
Lower Quartile	7.70	7.29
Median	7.76	7.94

We trust that you will find this information helpful.

Yours sincerely
