Dear Gold

Thank you for your email of 2 July 2014.

You requested information about the whether the Pharmacy Council is a "New Zealand Public Authority" for the purposes of making an OIA request.

We have discussed your query with the office of the Ombudsman, as that office is responsible for the administration of the Official Information Act 1982. That office advised that it would be happy to respond to your query. Therefore, I have forwarded your email the office of the Ombudsman for consideration.

Yours sincerely
