Dear Annie Weston

Official Information Act request regarding receipt of post-marketing information from Pfizer

Thank you for your request made under the Official Information Act (the Act), received on 12 December 2021. You requested:

“When did the Prime Minister receive the post-marketing information from Pfizer?”

I believe that the information you have requested is more closely connected with the functions of the Ministry of Health (the Ministry). Accordingly, I have decided under section 14(b)(ii) of the Act to transfer your request to the Ministry.

The Ministry has the usual timeframes under the Act from receipt of this transfer to make a decision on your request.

Yours sincerely
