

PRAYER TO BE RECITED BY THE MAYOR
AT THE COMMENCEMENT OF EACH COUNCIL MEETING

Almighty God, as we gather together, the elected representatives of the people of the Waimate District, grant that we will be able to lay aside our own private interests and prejudices. Grant us also the ability to listen carefully to each other, to show respect when we differ, and a willingness to always seek what is best for those who will be affected by our decisions. We ask this in Jesus name. **AMEN.**
