Kia ora James,

The information you requested - CAS-524163-X3M0P3

Find below the information requested on 10 March 2022 regarding a CCTV camera installed outside 33-37 Sandringham Road in February 2022.

This installation of a CCTV camera at said location is an extension of the current enforcement zone SR3 (Sandringham Road /Rossmay Tc - Onslow Road) to ensure that compliance is achieved to meet the SVL strategy as a viable solution to increase Public Transport usage. This in turn will lead to the reduction of vehicles on the road during peak hours of traffic and align Auckland Transport with Central Government's initiatives on Climate Change and Emission Objectives.

There is no specific case information to provide for this location thus your request is declined under section 17(e) of the Local Government Official Information and Meeting Act 1987 as it does not exist.

This camera has not gone live and operational yet, thus the enforcement data specific to this camera is declined under section 17(e) of the Local Government Official Information and Meeting Act 1987 as it does not exist.

Should you believe that we have not dealt with your request appropriately, you are able to make a complaint to the Office of the Ombudsman in accordance with section 27(3) of the LGOIMA Act and seek an investigation and review regarding this matter.

Yours sincerely

John Strawbridge
