

Cups (including coffee cups)

Preferred list

Subject area	Name	Organisation	Why they were chosen	Other comments/considerations
Commercial/ takeaway	Simon Kenny	McDonalds	Can represent takeaway businesses that currently rely on a range of different types of single-use cups including coffee cups, polystyrene lids, paper lined cups and PET cups. Could bring link to innovation happening internationally to meet other bans eg, McDonalds UK are currently trialing reusable coffee cups.	<ul style="list-style-type: none"> may support the policy intent but may wish to slow the policy down due to impact on business will support making the policy workable for business.
