### **Request for information 2022-012**

I refer to your request for information dated 21 February, which was received by Greater Wellington Regional Council (Greater Wellington) on 21 February. You have requested the following:

*“Please provide all information relating to the Southern Remutaka TB Control Operation”*

#### **Greater Wellington’s response follows:**

The 2022 Southern Remutaka TB Control Operation is being managed by OSPRI. This is not a Greater Wellington operation.

Your request is therefore refused under section 17(e) of the Local Government Official Information and Meetings Act 1987 on the grounds that the information requested does not exist and is therefore not held by Greater Wellington.

#### **Additional Information:**

I recommend that you contact OSPRI directly, using this link <https://www.ospri.co.nz/contact-us/get-in-touch/>) to gather further information about this proposed operation.

If you have any concerns with the decision(s) referred to in this letter, you have the right to request an investigation and review by the Ombudsman under section 27(3) of the Local Government Official Information and Meetings Act 1987.
