Dear Jaden

Information Request – Parliament grounds

I refer to your official information request dated 02 March 2022 asking for a copy of the Incident Report for Incident F3433650 at the Parliament House, 1 Molesworth Street, Pipitea.

In accordance with the provisions of the Official Information Act 1982, I enclose the SMS Incident report. Some personal information has been withheld to protect the privacy of natural persons under section 9(2)(a) of the Official information Act 1982. We do not consider that there is a public interest in the release of the information which outweighs withholding it.

Please note the SMS Incident Report provided to you is generated by Fire and Emergency New Zealand's electronic station management system (SMS Report). In SMS Reports, 'Notifications' and 'Message Log' fields are reported in real time as fire crews and our communication centres communicate with each other during the incident. They are not the official final records of incidents but word for word transcripts of 'live' situations as they occur. They may contain spelling errors or commonly used abbreviations.

Please note there is an inaccuracy in the SMS Incident Report on page 10 at 16.12.47. It refers to a "GM" being in command. In fact, the person in command at that time was a Commander, not a Group Manager (GM).

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely

Nicky Chilton
Director, Office of the Chief Executive
