Amber Saxton

By way of email only: fyi-request-18853-76612c67@requests.fyi.org.nz

Dear Amber

Official Information Act request:

Further to your letter dated 14 March 2022 made under the Official Information Act 1982, and our response dated 11 April 2022. We transferred some of your original request to Auckland University and although they have responded to you directly they have transferred one question back to Waikato DHB for response.

Specifically, you requested:

With regards to general medicine and paediatrics departments.

1) What is the list if senior medical officers designated to be clinical supervisors for medical students from the university if Auckland (i.e. who are the SMOs who can sign CSRs)

This question was transferred to Auckland University in accordance with s14 of the Official Information Act. We understand that they have supplied you with a list of SMO's designated to be clinical supervisors.

2) From above, what is the FTE of each SMO, and number of hours expected on-site.

Using the information sent to us from the University of Auckland we can now respond to this question.- The table below shows FTE for the SMO's designated to be clinical supervisors as outlined by University of Auckland.-

General Medicine	Paediatrics
1.0 FTE = 13	1.0 FTE = 4
0.9 FTE = 1	0.8 FTE = 1
0.8 FTE = 1	0.7 FTE = 1
Total = 15	Total = 6

Waikato DHB supports the open disclosure of information to assist community understanding of how we are delivering publically funded healthcare. This includes the proactive publication of anonymised Official Information Act responses on our website from 10 working days after they have been released.

I trust this answers your query.

Yours sincerely

Jacquie Sherborne
Acting Executive Director Organisational Support
Waikato District Health Board
