Dear Jacinda Ardern

Re: Official Information Act Request 2385

I refer to your Official Information Act request, received 29 March 2022 and extended on 12 April 2022, in which you specifically requested the following:

Could you please forward a copy of the internal review report about the Delta-infected crew of the Mattina, that informed a Stuff article published online March 15, 2022.

Please see the attached documents in response to this request which include the minutes from a Mattina debrief meeting held on 29 September 2021 and the results from a Public Health Service staff survey. We think the "report" referred to in the Stuff article is in fact one or both of these documents, as no other report or documentation exists. These documents are:

- Attachment 1 2021-09-29_Mattina_Debrief
- Attachment 2 Survey_Mattina_Debrief

Could you please advise also, if it's not detailed in the report, which other agencies were involved/informed by this review.

The Mattina debrief meeting included staff from the Public Health Service and the wider Southern District Health Board, as well as representatives from WellSouth Primary Health Network and Southern Community Laboratories.

Limited information has been withheld as it was necessary to protect the privacy of natural persons pursuant to section 9(2)(a) of the Official Information Act.

You have the right to seek an investigation and review of our decision by the Ombudsman. The Ombudsman's Office can be contacted on 0800 802 602 or on-line at <http://www.ombudsman.parliament.nz/>.

Yours sincerely

Chris Fleming
