REF: OIA-9816/9852

Dear Richard

**Request made under the Official Information Act 1982**

Thank you for your emails of 28 March 2022 and 7 April 2022 requesting the following information under the Official Information Act 1982 (the Act):

*... it would be particularly helpful to receive the 15minute interval traffic count data for the AHB from Feb 2022-date.*

...

*Under the OIA please can you now provide 15 minutes count data (with Light & Heavy split if available) for stations 01N19424 and 01N29424 covering the SB and NB flows on the AHB. This should be in the same Excel format as you have previously provided and extend from 1/2/22 until the end of March 2022 (or later if readily available).*

*I also understand that [...] the movable barrier has not been following the regular movement patten you provided to me previously. Therefore please can you also provide me with dates, times and lane details since 1/2/22.*

The information you have requested has been provided in the following spreadsheets:

- AHB data Feb to Mar 2022.
- AHB barrier machine movements from Feb 2022

The information should be considered in conjunction with the following caveats:

- Total traffic count and heavy commercial vehicle (HCV) count has been provided for each direction.
- HCV volumes are considered invalid for much of the period requested. This is due to a classification issue producing inaccurate results for one lane in each direction. Data is valid for site 01N19424, SB, between 20 February 2022 and 8 March 2022. Data is valid for site 01N29424 NB between 20 February 2022 and 28 February 2022.
- The anti-mandate protest march used the southbound lane of the Auckland Harbour Bridge on 26 February 2022. The traffic volumes during the time of the march are significantly lower because of this.
- Some traffic count data is unavailable. Data is unavailable for site 01N19424 SB on 1 April 2022. Data is unavailable for site 01N29424 NB between 29 March 2022 and 1 April 2022.

If you would like to discuss this reply with Waka Kotahi NZ Transport Agency, please contact Ministerial Services by email to [official.correspondence@nzta.govt.nz](mailto:official.correspondence@nzta.govt.nz).

Yours sincerely
