Request for information 2022-050

I refer to your request for information dated 12 April 2022, which was received by Greater Wellington Regional Council (Greater Wellington) on 13 April 2022. You have requested the following:

“Can you please provide the following

- Net loss of businesses and or forecast loss of businesses following the implementation / construction of the following cycleways

Central city cycleways

Cobham drive

Hutt Road

Kilbirnie connections

Miramar town centre

Newtown to city

Newtown connections

Oriental parade

Thorndon quay

If the above is not been measured can you please explain why?

If rates were tied directly to businesses rather than landowners does Wellington City Council / GWRC believe they would have any businesses still operating in the city?

Can you please provide any business "hubs" that have opened up following the implementation of the cycleways above.”

Greater Wellington is transferring your request to Wellington City Council pursuant to section 12 of the Local Government Official Information and Meetings Act 1987 on the basis that this information

is believed by Greater Wellington to be more closely connected with the functions of Wellington City Council.

Further correspondence will therefore come to you directly from Wellington City Council. In this regard the 20 working day time limit for providing you with a substantive response to this request will begin from the day after Wellington City Council receive this transfer.

If you have any concerns with the decision(s) referred to in this letter, you have the right to request an investigation and review by the Ombudsman under section 27(3) of the Local Government Official Information and Meetings Act 1987.
