Re: Recording of Planning Committee meeting

Thank you for your email dated 20 April 2022, in which you requested information about the Planning Committee meeting held on 31 March 2022, including the full video recording. The specific details of your request and our response is below.

Please could you provide me with the full video recording of the Planning Committee Meeting held on 31 March 2022, including the parts after item 20 when the public was excluded from the meeting.

Video recordings are only made of the open parts of council committee meetings. We do not record committee proceedings that take place in the part of the meetings where the public is excluded. This part of your request is therefore refused under s17(e) of the LGOIMA as the information requested does not exist.

Please also provide any documents that were provided to councillors whilst the public was excluded. Please could you also include the full minutes of the Planning Committee meeting including the minutes for the section of the meeting where the public was excluded.

Our Plans and Places department have provided the report and minutes, together with the only other document presented during the closed section of the meeting in the attached.

The report, its attachments, minutes, and minutes attachments of the confidential part of the 31 March Planning Committee meeting are also available online and can be accessed [here](#).

Decisions relating to the information that is being released to you were made by **John Duguid, General Manager Plans and Places**.

You have the right to complain to the Ombudsman if you believe we have not responded appropriately to your request. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
