Official Information request and response

Thank you for your request under the Official Information Act ("OIA") that was transferred to us from Broadcasting and Media Office of Hon Kris Faafoi, Minister for Broadcasting and Media on 26 April 2022. We appreciate your patience as we work through a backlog of OIA requests.

You have requested:

1. *The goal of "Open Justice - Pātiti" reporting stream.*
2. *The definition of "Open Justice" as opposed to say "closed justice". All courts are already "open" in NZ (apart from family courts and certain criminal courts) with decisions available online. Would you please share the "open" aspect of this new reporting initiative paid for by the government?*
3. *What are the challenges this "Open Justice " seeks to overcome in New Zealand justice reporting?*
4. *What are the guidelines and keywords to be included and excluded from this justice reporting?*
5. *Are the journalists reporting on for "Open Justice - TePātiti" to always be named journalists for accountability and traceability in media standards?*
6. *The following cases all have a theme of unlawful activities from people in power or government officials. These have not been covered in detail (if at all) by the "Open Justice - Te Patiti". What are the reasons for not reporting on these high profile court decisions by "Open Justice - Te Patiti" which uncover unlawful activities from government officials and corporate bosses?*
 - A. *22 October 2021 High Court ruling, Justice Cook says at page 11 paragraph [30] in relation to being required to undergo a medical treatment for a job "...the level of pressure is significant and amounts to coercion "*
 - B. *17 Dec 2021 [United Airlines Employee Vaccine Mandates stopped](#)*
 - C. *13 Jan 2022 US [DEPARTMENT OF LABOR vaccine mandates stopped](#)*
 - D. *25 Feb 2022 [Vaccine mandates found unlawful under NZ Bill of Rights in](#)*
 - E. *18 April 2022 [US Supreme Court removed mask requirements on transportation including planes](#)*
