Kia ora again Stallah Thank you for this.

I did a search on my email about customs and the DEAG which didn't yield anythine.

I did a search on my small about customs and the DEAG which didn't yield my fining.

I fill the search on my small about customs and the DEAG which didn't yield my fining.

I fill fill the DEAG with a custom the same applicant has made many disches Olds to a range of agencies. It is possible that a document or paper was not I am happy that if State has scarcifed in 65cs and I have searched my files as a member of the group, that we don't have such a paper and on say that

Kia ora Dr Nessa Lynch,

Kan ora Dr Nesus Lymb,

Nice is here from you and flunk you for responding so quickly.

Anthoded is the original causi as per your request, Again, please let me know if you need anything else.

Subject: RE: Official Information request - Data Ethics Advisory Group

Kia ora Stallah

I agree that everything under (d) has already been published.

This late the Nessa Lynch,

Hope this will find you safe and well. Just keeping you in the loop regarding the below OLA which relates to the work of the Data Efficies Advisory Group (DEAG). The respect is saking for the following:

Heye files will addy use all and you all and you all and you got the laws progressing the best of CR which in the took of the Dis Elsion Advisory Group (DEAS). The report is asking for the Elsivosing information:

1 A topy of the Mathins And Assistance of the purple and mention of all mentings helds into Chicked. 2000

2 A topy of the Assistance will all mentings helds into Chicked. 2000

3 A topy of the disease and mention of all mentings helds into Chicked. 2000

4 A top of the disease and pure written for the same and the proof a terminal year. In the proof a termina

by our capacity as interim. Chair of the DEAG, could you kindly have a look at this and advise if you have any concerns. Should you wish to discuss anything, fird first to give me a call on (04) 971 4036 or 227 575 528.
