Hi Dave – thanks for drafting up the response to this OIA.

I've tweaked it up a bit, and have just met with Scott Spackman to seek his guidance on the proposed response.

He's all good with the attached amended copy.

I also met this morning with Ministerial Services and we've plugged in a short extension date on getting this back to them by Wednesday 2 Feb.

If it needs a further extension past that date, you just need to pop up to see them on 5th floor and they'll sort that out no problem. (I was dealing with Catherine English – very helpful lady).

It would pay for you to go up there anyway to let them know you have completed the response and that it's been provisionally given the thumbs up from Legal.

Next step is loading it not the Information Request machine and sending it through that process to the next recipient – again, they'll show you that.

Kia ora David,

The attached response has been approved by the Exec. It is currently with the Minister's Office (MO) for their no-surprises notification until Mon 30/05. In the meantime – can I please ask for your signature to be applied to the 1st attachment (we ask this now so that it can be disseminated promptly upon clearance from the MO).

When done, can you please send it back our way and we'll date, redact-apply then disseminate this to the requestor once its time at the MO elapses.

This OIA is due on Mon 30 May.

Thanks
